First name: Andrew

Last name: Jones

Organization:

Title:

Comments: I am incredibly opposed to this proposal. I see no justification beyond destruction of wild areas for short term financial gain.

Frankly, I doubt that anyone will read my comment, and if they do they will not care. I do not have money to bribe Mr. Purdue, Mr. Walker or Mr. Trump so my opinion will be ignored and more public goods will be transferred into the private wealth of their cronies.
