

Data Submitted (UTC 11): 10/20/2019 8:00:00 AM

First name: Travis

Last name: Coons

Organization:

Title:

Comments: Why does our biggest national forest and our world have to suffer because this company built its profits around destroying one of our worlds most precious natural resources. No business can grow forever without losses. Welcome to income roller coaster that Corporate America makes the rest of us ride. Grow hemp.
