

Data Submitted (UTC 11): 10/20/2019 8:00:00 AM

First name: Victoria

Last name: Alford

Organization:

Title:

Comments: Please leave the forest as it is. This country does not deserve to become a wasteland nor do our children deserve to have nothing left of the beauty our country to enjoy as we have done. The Native Americans revered and preserved this land we call home and it would be beneath us not to follow suit. Please don't desecrate the gorgeous nature given to us freely for monetary gain.
