

Data Submitted (UTC 11): 10/20/2019 8:00:00 AM

First name: John

Last name: Arnette

Organization:

Title:

Comments: No, we kill to many trees, between what President Trump, and Apple and what has happen to the Rain Forest I say no. Someday sooner than later we will need those trees. Look at all the wildlife it will kill off. Its all just more money for the rich.

Stop smell the flowers for an exchange.
