Comments: I would prefer that you take no action and leave all of Alaska under the 2001 Roadless Rule, including the Tongass National Forest.

If, as so many "Christians" proclaim, God is perfection, then why are so many of them willing to destroy His creation?

Reckoning

When the users have used it all up and nothing is left, they will turn to us and ask, "What went wrong?" We will answer, "You did."
