Comments: Hello USFS,

Thank you for taking the time to read my comment. I oppose the exchange of public land sections 4 and 8 (Township 2 N., Range 11 E.) for private sections 11, 13 and 21 (Township 3 N., Range 11 E.) As a hunter, these are prime acres I already can pursue the huntable wildlife species that live there. In that these two sections are currently public, I do not want to lose access to them for lesser areas.

Thank you sincerely,

Hannah
