Comments: It is TOTALLY IRRESPONSIBLE TO ENDANGER THE TONGRASS NATIONAL FOREST!!!

You are giving a GIFT to the OIL, GAS and TIMBER INDUSTRIES, at the expense of FUTURE GENERATIONS OF AMERICANS. It's not hard to see that this is a GIFT to TRUMP'S Donors and Cronies.

Once the TONGRASS IS DESTROYED, the American Public, and future generations will only be able experience its beauty and wildlife in books or on the internet!

When you, I and TRUMP are dead and gone, you will be VILIFIED for the DESTRUCTION you have created!

SHAME!
