First name: Steve

Last name: Yeager

Organization:

Title:

Comments: I am an avid 4 wheeler from Washington state and every other year travel to Arizona and recreate in this area of concern while visiting my parents which live in Sun lakes area. I am against our own public lands being closed off to the public, it is unfair and there's other solutions to this like getting local clubs and organizations to volunteer their time to keep things right.

Thanks,

Steve yeager
