First name: Robert

Last name: Newman

Organization:

Title:

Comments: Please do not go forward with this land swap deal. It is apparent, upon close examination, that this is not in the best interest of the public. It makes me wonder what else is going on behind the scenes. So what IS going on? More detailed information needs to be made public, more thought needs to be devoted to this deal. As a public land owner (and private land owner) I request this land deal be stopped.
