First name: Scott

Last name: McCullough

Organization:

Title:

Comments: I do not believe the FS should include section 4 and 8 in this trade. The upper sections (21, 11, 13) of the trade are very common. The Crazies have a tremendous amount of land similar to these sections. Land like that in the lower sections (4 and 8) is incredibly difficult to access in this mountain range PLEASE KEEP THEM.
