First name: Jack

Last name: Lander

Organization:

Title:

Comments: I firmly believe in true public land access for everyone. I do not support the sale or exchange of public lands in the crazy mountains. This exchange would make it more difficult for people to access the rich and bountiful habitat that the crazy mountains have to offer. Please do not move forward with this exchange. Thank you for your time.

Jack Lander

Volunteer for the Oregon chapter of BHA.
