Comments: To the Custer-Gallatin National Forest:

I enjoy visiting the Crazy Mountains with my family to hike, camp and fish.

As a regular user of this area, I oppose the exchange of public land section 4 and 8 (Township 2 N., Range 11 E.) for private sections 11, 13, and 21 (Township 3 N., Range 11 E.).

Sections 4 and 8 sections are very high quality public land and wildlife habitat and would be a major loss for recreationists if traded for sections 11, 13 and 21, which do not hold anywhere near the same value of quality habitat and ease of public access.

Thank you for considering my comments.
