Comments: To Whom it May Concern,

I appreciate this opportunity to comment positively to keep Kensington Mine open. I have lived in Haines for the last 30 years (oh boy)...and before that I was raised in Sitka. My point being, I am able to say without hesitation that Kensington has been a good neighbor. I am pro mining and economic development and because we have men from Haines working at the mine, I support their efforts and plans for enlargement of the tailings and hopefully for continued production,

Thank you for your time
