I write in *support* [Text double underlined for emphasis] of the *No-Action Alternative for the Draft Environmental Impact Statement on the proposed Alaska Roadless Rule.* [Text underlined for emphasis] The Tongas contains some of the largest intact old-growth temperate rainforest in the world and its value in providing clean water for fish and wildlife habitat is essential to the economic and ecological health of S.E. Alaska. *I strongly oppose any efforts to weaken protections for Roadless areas in the Tongass Nat. Forest.* [Text underlined for emphasis]
