As a cabin owner on Mt Lemmon, I am in favor of the proposed improvements to the Camp Lawton. I just have one concern....will they be able to pay for it. According to news reports, since the BSA started to accept homosexual, transgender and girls into the BSA, their membership has declined significantly to the point they are mortgaging off their largest piece of property in New Mexico. The FS may want to have some assurance that the BSA can pay for this project or more importantly will the BSA even be solvent 10 years from now?
