You are destroying everything PRESIDENT OBAMA did to help save our planet. Be a voice for the ones that can't speak for themselves. You 45 will never ever be what he stands for. All people no matter what color religion or what part of the earth we came from. You 45 are not the savior. You 45 are the racist bigot dividing our nation. Turning us into a dictatorship like your communist friends. You 45 will not last forever and your little no spine republicans I hope someday soon will stand up against you and show these other followers what a selfish SOB you really are.

I am writing to express strong opposition to efforts to roll back the Roadless Area Conservation Rule (Roadless Rule) in Alaska or elsewhere. The Roadless Rule was implemented with unprecedented public support to protect some of our nation's most pristine public lands, including large parts of the Tongass National Forest. You must choose the No Action alternative. Any other choice would ignore overwhelming public support and harm Alaskans, including Alaska Natives, and taxpayers across the nation.

In Southeast Alaska, tourism accounts for 28% of employment and generates an annual \$1 billion in economic benefit, making it far more of an economic driver than the timber industry, which is less than 1% of the regional economy.

Any choice but the No Action alternative would also put wildlife and critical habitat at risk, threaten access to clean water, and be a step in the wrong direction on climate change jeopardizing Alaskans at a time when the state already faces severe challenges related to rising temperatures. I urge you not to abandon the Roadless Rule in Alaska and instead to put the public interest above corporate profits by choosing to keep the rule in place unchanged.

Thank you for considering my comments.

Regards, Susan Crane
