Comments: I grew up in the Gila Valley and have spent many days on Mt. Graham. I love the mountain and am interested in preserving the culture, environment, and the economy of the Gila Valley. I believe that the Bible Camp site would be put to great use opening for non-profit use as Daryl Weech has proposed. The kids of the Gila Valley and the various teenage associations throughout it would benefit greatly from the opportunity to spend time at and enjoy the Bible Camp. The Forest Service will be able to continue receiving revenue from the extended permit and would see increased traffic to enjoy the beautiful mountain which they help manage and care for. I am FOR the extension of a permit to continue the Bible Camp.
