Comments: Comments to oppose modification to the Roadless Rule

Dear U.S. Forest Service,

Old growth forests are a priceless national treasure. I had the good fortune of seeing the old growth section of The Great Smokey National Forest and because of this I honestly don't think there is anything on earth more special --like heaven. Furthermore, I can't conceive of a reason to harm an old growth forest in the least. Please don't allow another pristine forest and it's inhabitants to come to harm.

Sincerely,

Jennifer Mathews
