Comments: Comments to oppose modification to the Roadless Rule

Dear U.S. Forest Service,

DO NOT RUIN our LAST pristine temperate rain forest that PROTECTS us from climate change.

ROADS and HUMAN activity ruin so much.

I vehemently OPPOSE intruding on this last natural and wild reserve.

Logging is NOT worth the destruction of ANY old growth forests and clearcutting is just STUPID.

Sincerely,

Bernadette Jaeger

Los Angeles, CA 90025
