Comments: Comments to oppose modification to the Roadless Rule

Dear U.S. Forest Service,

Please stop giving our public land to logging companies!!!

Keep the roadless rule. Protect the forest and the creatures that need them to live.

The majority of citizens have made it plain many times that we want to protect the wild areas.

Please select the "No Action" Alternative!

(Alternative 1). Protect the Tonga's National Forest!

Sincerely,

Joyce Lindner
