Comments: Comments to oppose modification to the Roadless Rule

Dear U.S. Forest Service,

Logging roads and timber operations cost tens of millions of taxpayer dollars every year, with zero return on investment. Please stop giving away our land to private interests, to the detriment of our climate and our world.

I urge you to select the "No Action" Alternative (Alternative 1) and allow the Roadless Rule to remain intact on the Tongass National Forest.

Sincerely,

Kathe Anderson
