Comments: Keep 'Roadless Rule' Protections for the Tongass National Forest

Dear U.S. Forest Service,

I strongly oppose the Forest Service's plan to eliminate "Roadless Rule" protections for the Tongass National Forest and urge you to select the "no action" alternative instead.

Please. Read "The Secret Life of Trees". Or this:

<https://gcc02.safelinks.protection.outlook.com/?url=https%3A%2F%2Faeon.co%2Fessays%2Fwhat-can-an-embodied-history-of-trees-teach-us-about-life&data=02%7C01%7C%7C8253122b674a4095aa6208d7562a2ec6%7Ced5b36e701ee4ebc867ee03cfa0d4697%7C0%7C1%7C637072611479400976&sdata=ZbqZQtg7BbRpszxJCOB3tPPcKKH7gNIBtxLxExKvNdU%3D&reserved=0>

Take your children and grandchildren into the forest. Then THINK (really think!) about how it should be protected.

Sincerely,

Becky Rose

Beaverton, OR 97005
