Comments: permit fees

Hi Forest Service,

I wanted to thank you for finally putting in a permit system for the Three Sisters Wilderness etc. - the trails (and lakes) are totally overrun. I am also glad it is a small fee for the permits. However, I think the fee should be even smaller - just the \$1.00 service fee for hiking. I understand that tourists might only pay once or twice a visit but residents like myself - I have lived in Bend since 1975, will go up to our favorite spots once a week. You can keep the camping fee.

Thank you,

Maureen Sweeney
