Comments: Wilderness recreational fees

I am opposed to these rule changes and fees. I am attempting to teach my grandchildren to appreciate the outdoors and to become environmentally aware of the needs to protect areas. Sometimes, when visiting these areas, timelines have to be changed to accommodate for weather and other factors. This is a ridiculous proposal which will harm the average citizen. Not to mention the fact we pay to manage these forests with tax money already and then we will be forced to pay again to use OUR forests. No thanks. Please vote no.
