Thank you Matt,

Very extensive report.

Where can I get information for trail use prior to 2011. The USFS began collecting the data in 1991.

Greetings,

You can download a copy of the Environmental Analysis and the Decision from this webpage:

The Environment Analysis is found under the "Analysis" tab, and the final decision is found under the "Decision" tab.

Thank you for your interest!

To whom it may concern,

How do we get a copy of the environmental analysis in January 2017 to address these impacts ?
