Hi Matt.

An article "Forest trail permits need your 'feedback' came out in The Register Guard today.

I went to: [https://data.ecosystemmanagement.org/nepaweb/nepa\\_project\\_exp.php?project=50578](https://data.ecosystemmanagement.org/nepaweb/nepa_project_exp.php?project=50578) to make my comments and struggled to find somewhere to do that. I tried clicking on Comment On The Project, and Public Comment Reading Room. Neither one of these would open up for me. Can you please tell me where I can leave comments on this issue?

Thank you for your help.
