Comments: Unfair camping fees

To whom it may concern,

This is not okay! I pay taxes out of my wages to enjoy what I want in this country. And for you to charge for people to enjoy American wilderness like this is not okay! Go to another country that allows this if this is what you want. Those are my woods and I will enjoy them when I want! Without more fees. We already have to pay to park and camp and this fee and that fee. Oregonians live and breath these woods. Stop trying to take them away! I would like to be able to teach my child about the wonders around us and her be able to teach her children not pay your dam fees!

Have a great day!
