Comments: Proposed fees for 3 Sisters, Jefferson Wilderness

I have been a strong supporter of wilderness, trails and public lands. It makes me angry when the forest service wants to charge fees and special schedules for the public lands that I am already part owner and funding with my taxes. I propose removing support both financial and emotional for any ranger district proposing fees for what we already own. Please consider not double billing the public, reprioritizing finances, and stop pissing off those who have voted to support you in the past.
