Comments: Wilderness fees

Hello, I am a frequent visitor to the Three Sisters, Mt. Jefferson, and Mt. Washington Wilderness areas. I am horrified at the thought I will be assessed a fee for visiting these lands overnight or for using various trailheads. I have been incensed enough at having to buy a forest pass but to go beyond that and tax me for the use of my public lands is making my blood boil.

So... please reconsider your proposal. I am most definitely against it.
