Comments: Fees for use

Good morning,

I would like to say that I agree that the time has come to initiate fees-for-use in Oregon's most frequently-used wilderness areas. I support that move.

My concern relates to low-income individuals and families. Might it be possible to include a provision for a reduced fee, or no fee at all, for a small percentage daily, of people who qualify? Perhaps there is a format already established for coming up with qualifying criteria, or proof of need. I'm sure that would be the "tricky" part of my concern, but important to address nevertheless. Attention to this matter would be greatly appreciated.

Thanks so much,

Sue Archbald
