Comments: New Fee Structure

Hello,

As a person who enjoys hiking in beautiful Oregon, I'm writing to voice my objection to the new fee structure for the Willamette Forest area. While I understand the need to maintain the trails and accessibility of the forest to be enjoyed by as many people as possible, I don't agree with the way this is being proposed. Hikers and campers can't and shouldn't be the one supporting the Forest Service all on their own. The new permits are obscenely high. I hope you stop the proposed increase in fees and instead think of a better way to raise funds such as higher logging contracts or partnerships with businesses who are willing to sponsor different trails in a responsible way.

Best regards,
