BEND, OR 97702

November 18, 2019

Dear Willamette National Forest,

The Forest Service should consider an annual pass or volunteer pass to remove undue limitations and financial burden for individuals who frequent the permitted areas and support stewardship.

A portion of permits should be held for walk-up, first come first serve availability to allow climbers to attempt summits during good weather windows, which decreases potential weather-related accidents and the chances of getting lost, both of which result in increased search and rescue missions within Wilderness areas.

The Forest Service should partner with County and State officials to address parking issues at trailheads. Managing and enforcing parking would self-limit the number of people on trail systems.

Sincerely,

STANLEY CARR
