Comments: Fees

To Whom It May Concern:

I am writing to oppose any fees to access public lands. Public lands are to be used for the enjoyment of we, the people, without fees. I oppose any fees to access any forest in the nation. The fee system would prohibit me from access to the forests as the cost is prohibitive. I enjoy hiking and horseback riding in the national forests. This is simply a way to eliminate public access to our forests. No FEES. Thank you.
