Dear Willamette National Forest,

The new quota-based fee structure for limited-entry day-use permits and overnight users, would restrict climbing access and create more barriers for low-income communities. The new quota-based fee structure for limited-entry day-use permits and overnight users, would restrict climbing access and create more barriers for low-income communities. The new quota-based fee structure for limited-entry day-use permits and overnight users, would restrict climbing access and create more barriers for low-income communities. The new quota-based fee structure for limited-entry day-use permits and overnight users, would restrict climbing access and create more barriers for low-income communities. The new quota-based fee structure for limited-entry day-use permits and overnight users, would restrict climbing access and create more barriers for low-income communities. The new quota-based fee structure for limited-entry day-use permits and overnight users, would restrict climbing access and create more barriers for low-income communities.
