Comments: Comment in favor of recreation permit fees

Hello,

I am writing to express support for increasing permit fees in the Mt. Jefferson, Mt. Washington, and Three Sisters Wilderness Areas.

I believe the proposed fee structure will decrease impact on sensitive and currently over-traveled areas of the wilderness areas, without limiting the opportunity for Oregonians and visitors to experience these wilderness areas.

I also recommend that the Forest Service provide informational signage advertising what specific wilderness management activities are being funded with these user fees, in order to increase public buy-in for this program over time.

Sincerely,

Jared Pruch
