RE: Don't exempt the Tongass from the Roadless Rule

null

Docket Number: FS-2019-0023

Secretary Perdue:

I am writing to urge you to keep the Roadless Area Conservation Rule intact for the Tongass National Forest.

The Tongass has hundreds of species of wildlife. This includes over 300 species of birds, grizzlies, trout, salmon and wolves.

To open this wilderness to destructive development would cause a drastic decline in the wildlife that cannot be replaced.

Sincerely,

Sincerely,

Lori Vest
