Comments: I am writing in support of reissuing the permit for the Bible Camp site on Mount Graham. My family has enjoyed the mountain for many generations. We try to hold family reunions twice a summer on Mount Graham. This site is not far from the spot we have been using for many years. Our family has out- grown the site we usually use, and the Bible Camp would be perfect. If the permit is reissued, the site would be well cared for and would be in used throughout the summer. The site would be taken care of privately, which would assist the forest service and save them money and manpower. Please consider reissuing the permit. We would be SO grateful.
