First name: Jesse

Last name: Warren

Organization: AMBASSADORS FOR CHRIST

Title:

Comments: The Southern Arizona Church of Christ Bible Camp has been a tremendous place for my group. We (a college ministry) often serve as camp counselors (among other roles) for teens who are in need of all sorts of encouragement and love. My college students have come and have grown themselves through the challenges that working with these teenagers pose. Please renew the permit and allow this important ministry to continue.
