Comments: Maintain protections for Alaska Roadless Rule

Dear Secretary Secretary Perdue,

I visited the Tongas and your state 4 years ago and find both to be a NATIONAL TREASURE. Sure the pipeline was interesting but for me Alaska is the glaciers, mountains, ruggedness and wilderness. The Tongas Rainforest is not to be matched anywhere ... and not to be violated. Keep it safe and I will return to Alaska with continued joy.

I urge you in the strongest terms possible to select Alternative 1, or [ldquo]No Action,[rdquo] for USFS Docket ID: FS-2019-0023 Alaska Roadless Rule #54511. Keep the roadless areas of the Tongass National Forest protected and working to provide clean air, clean water, and sustainable resources to America and the rest of the world.

Sincerely,

Sincerely,

Dr. Donald Skog
