Comments: The Tongass is for wildlife!

You all are destroying our Earth as we know it. It will survive - will we?

The proposed rule's claim that exempting the entire Tongass National Forest from the Roadless Rule will have only minimal environmental effect is simply not justified by experience. The course chosen by the 'Emperor T' ignores the public, fails to find balance, and threatens the National Forest System.

I strongly urge the Forest Service to select ALTERNATIVE 1, the "NO-ACTION" alternative.

Thank you much - ?? ?? ?? ??
