Comments: Opposition to Destructive Legislature

Hello, my name is John Hoyer from West Hartford, CT. I am extremely shocked and genuinely concerned about the fate of the gorgeous Alaskan forests if this new policy was to be passed. I firmly believe this decision, if passed, would be a horrific disaster that humanity would deeply regret in the years to come. I hope opposition to this policy is strong enough to dismantle its ratification.

I anticipate our democracy making the right decision.

Thank you for your time,

John Hoyer
