Comments: Keep the Roadless Rule in Place for the Tongass National Forest

Dear Interdisciplinary Team Leader, Alaska Roadless Rule Ken Tu,

I'm a citizen of the USA and an avid supporter of our public lands. I fully support upholding the No Action Alternative (Roadless Rule) on the Tongass National Forest. This forest is our legacy and allowing it to be altered isn't in our interest.

Please continue to steward Tongass National Forest for generations to come by upholding the Roadless Rule.

Sincerely,

Joshua Zamor
