First name: Deirdre

Last name: Downey

Organization:

Title:

Comments: Roadless Rule

I am against making any changes to the Roadless rule. I want the Tongass to be left as it is for the sake of wildlife who depend on it, tourism who come to see its beauty, fishermen who need the old growth forest & amp; pristine waters to support salmon and other fish, and for us who love to know it's there wild and free.

Keep Alternative 1.

Thank you, Deirdre Downey
