

Data Submitted (UTC 11): 10/23/2019 8:00:00 AM

First name: Katherine

Last name: Marshall

Organization:

Title:

Comments: Tongass

Please reconsider changing the status of the Tongass. It must stay roadless: In other words, alternative 1. Climate change is accelerating and we need this carbon repository. Commercial and recreational utilization are not nearly as important as saving the planet. Thank you. Katherine Marshall, Centennial, Colorado 80112
