Title:

Comments: retain 'Roadless Rule' protections for Tongass; also, protect roadless areas of Chugach

Dear U.S. Forest Service,

1) Kindly do not eliminate "Roadless Rule" protections for Tongass National Forest. Please select the "no action" alternative instead.

2) Also, do not open any of the 5 million acres of roadless areas on the Chugach National Forest.

Sincerely,

Anna Maksic

Hoboken, NJ 07030
