Comments: Recreation Fees

Dear Willamette and Deschutes National Forests,

Dear U.S. Forest Service:

I oppose your proposal to charge people for simply taking a walk in the in the Mount Jefferson, Mount Washington and Three Sisters Wilderness areas in the Oregon Cascades. Your proposed fee violates the intent and purpose of the Wilderness Act, including protecting Wildernesses from commercialization and commodification. These fees would also be illegal under the Federal Lands Recreation Enhancement Act and would exclude the public from accessing and enjoying their public lands.

The Mount Jefferson, Mount Washington and Three Sisters Wilderness Areas already plan to require limited-access permits starting next year to prevent overcrowding and resource damage. While I support quotas to protect Wilderness areas from being over-run by people, I'm adamantly opposed to the federal government charging hikers a fee simply to take a walk in the Wilderness.

A fee such as you propose would set a horrible national precedent for other Wilderness areas around the country and I urge you to abandon your fee scheme for the Mount Jefferson, Mount Washington and Three Sisters Wilderness areas.

Thank you.

Sincerely,

Jennifer Barton
