Last name: Lagerquist

Organization:

Title:

Comments: We need to save the roadless rule. The Tongass National Forest provides 20 tourism jobs for every 1 timber job. Please set aside your outdated politics, stop conjuring falsehoods about impacts to communities and start treating the wishes of a clear majority of your constituents with a degree of respect. Our government should protect salmon and wildlife habitat and the rare wild beauty of the Tongass National Forest. Furthermore respect the voices of our indigenous people.
