RE: Don't exempt the Tongass from the Roadless Rule

null

Docket Number: FS-2019-0023

Secretary Perdue:

I strongly urge and implore you to keep the Roadless Area Conservation Rule intact for the Tongass National Forest.

The Tongass serves as a habitat for hundreds of species of wildlife, including wolves, grizzly bears and so many others that are pure, innocent and that have hearts and souls. More than 300 species of beautiful birds make their homes in its trees, and its streams and waterways provide habitat for spawning salmon and trout.

To open this pristine wild space up for destructive development by removing its Roadless Rule protections would be a tragedy and would murder all the helpless animals and beautiful birds, all because of human evilness and greed. Keep the Roadless Rule -- and the Tongass National Forest -- intact.

Sincerely,

Sincerely,

Joyce Steele
