Comments: Leave the Alaska Roadless Rule in place

Dear Comment Period Alaska Roadless Rule,

Hello, I live in Washington State, and I am writing in support of the 'no action' alternative to leave the Roadless Rule unchanged in Alaska.

Changing the rule leading to greatly expanded clear-cut logging of old growth timber and road building in undeveloped, wild areas will increase sedimentation, hurt water quality, and often block salmon migration.

Our world, our salmon, our whales, and our future generations all need intact habitat.

Please leave the Alaska Roadless Rule in place.

Sincerely,

Susan Gideon
