Dear U.S. Forest Service,

I OPPOSE the Forest Service's plan to eliminate "Roadless Rule" protections for the Tongass National Forest and urge you to select the "no action" alternative instead.

Your proposal to open the door to clearcutting and bulldozing is irresponsible and fundamentally threatens these values.

I OPPOSE your plan to allow the agency to open any of the 5 million acres of roadless areas on the Chugach National Forest to bulldozing and clearcutting for logging.

Please select the "no action" alternative to maintain "Roadless Rule" protections for the Tongass and Chugach.

Thank you.
